For special hotel rates call: Harley Hotel 1-800-321-2323

Special rates if you say your attending the Gateway Computer Show.

See details on other side.

Hi,

This is Bob Scharp, Chairman of the Gateway Computer Show - Amiga 97. This is the third year of the Gateway Amiga Club, Inc. hosting the show. It's going to be the biggest and best yet. We have rented a great facility at the Harley Hotel in St. Louis (Earth City). Full restaurant, nice rooms, indoor/outdoor pool and more.

Consider renting a room for Saturday night and catch both days of the show and several classes. Yes, that's right, two days! Admission price is \$10.⁰⁰ per day at the door, however you can get a two day ticket in advance for only \$15.⁰⁰ by calling 1-800-829-8608. Dinner tickets are \$30.⁰⁰ each, while class prices will vary. Please check when calling the toll free number.

Vendors are already signing up. SoftLogik, Intangible Assets Manufacturing, Nova Design, Oregon Research, QuickPak, and others have already said they will attend. More are contacting us and we expect the hall will be filled to overflowing.

Don't forget, if you rent a room at the Harley, be certain to tell them that you are attending the show to get the best rate. Do the same thing when calling Best Way Travel, our official travel agency, for airfare arrangements. If you call TWA, our official Airline, mention the show to them too.

See you at Amiga 97

Bob
